Northside Wizards Basketball Junior Registration FAQ's

Q. What are the age group requirements for junior players participating in the domestic (club) competitions?

A. Players must play in their correct age group e.g. players turning 11 in 2027 are eligible to play in the U12 division, where players turning 12 in 2027 are eligible for the U14 division.

Q. Can junior players play a second game in a higher age group?

A. Registered players wanting to play an additional weekly game in the next age division can submit their interest to their club and Northside Wizards for consideration using the form available: Additional Game Interest

Priority for registrations to teams is given to true age players.
Upon completion of registrations, submissions of interest for additional games will be considered only if there is remaining capacity.

If you receive a pop-up window, select allow to be redirected to the Microsoft website.

Q. Can players request an exemption from playing in their correct age group?

A. Players may submit a request to Northside Wizards if circumstances impact on their ability to play in their correct age group. All requests are to be submitted on the official form available here

If you receive a pop-up window, select allow to be redirected to the Microsoft website.

Q. Can junior players participate in senior competitions?

A. Players who are playing in their correct junior age group and wish to play in a senior competition as a second game may do so if they meet the age eligibility criteria, i.e. turning 16 years in the calendar year that the competition finals are played.

Junior players must be registered in a senior competition to be able to be used as a fill-in player.

Q. What are the requirements for players who wish to be considered for selection to a Northside Wizards junior representative team?

A. Players must participate in Wizards domestic summer and winter seasons weekly. This information has been included in the Northside Wizards athlete selection policy, and the relevant eligibility information is provided below. Players seeking exemption from playing in the domestic competition should submit a request on the official form available here

If you receive a pop-up window, select allow to be redirected to the Microsoft website.

Q. Athlete Eligibility Criteria

Athletes seeking selection to a NWB Representative Team must comply with all the following to be eligible:

a. Athletes must be a registered, participating member of NWB and play weekly in each domestic season. Exemptions may be considered in exceptional circumstances. Exemption form is available on the Northside Wizards website.

Note: If an exemption is granted the athlete MAY NOT then play in another Association's domestic competition. Doing so will render the athlete ineligible to participate in the Northside Wizards Junior Representative program.

b. Athletes whose last representative game was with an Association other than Northside Wizards must supply a transfer form approved by Basketball Queensland prior to attending the first trial.
